For piping connections and nut coupling force please refer to VBS manual available on www.olivibra.com

Per le connessioni aria e le coppie di serraggio dei dadi di fissaggio riferirsi al manuale VBS scaricabile dal sito www.olivibra.com

Informationen zur benötigten Rohrverbindungen und Anzugsmoment der Mutter entnehmen sie bitte der VBS Betriebsanleitung, welche unter www.olivibra.com verfügbar ist.

Pour les connexions pneumatiques et couples de serrage des écrous de fixation, veuillez vous référer au manuel VBS, disponible sur le site internet www.olivibra.com

Raadpleeg de handleiding van de VBS voor de luchtaansluitingen en de aanhaalmomenten voor de bevestigingsmoeren, die u kunt downloaden via de website www.olivibra.com
